REPRESENTATIVE PHOTOS ADDED. Homesite 53 is an Abram plan at Lafayette at Riverstone, a single-story residence that features a bonus room, formal dining room, and butler's pantry. Enter through the detailed stepped walkway into the foyer to find a thoughtfully designed floorplan that is convenient as it is beautiful. Open formal dining room is located off the foyer and the expansive Great Room is open to the gourmet kitchen and breakfast room with large windows, with sweeping views of the backyard. The kitchen features include Brushed Nickel finishes, Polar shaker cabinets, stainless steel appliances, and quartz countertops. Large centrally located laundry room is next to the large bonus room. The Owner's Suite is complete with dual sink vanities, separate stand-alone tub, large shower, and two huge walk-in closets.
